PROFESSIONAL EXPERIENCE

Telaverge Communications — Remote

Forward Deployment Designer — Sep 2026 – Present

- Built the go-to-market strategy for a university 5G upskilling programme, covering a weighted decision matrix with sensitivity analysis, unit economics, break-even modelling, and a 90-day launch plan delivered as a 34-slide leadership deck.
- Analysed the competitive landscape, turning 5G adoption targets and telecom skills-gap projections into a sourced positioning narrative.
- Directed a 2-minute AI-produced launch film for IIT/NIT-level deans and faculty, from concept and script through character generation, animation, voice-over, and final edit across 10+ feedback-driven versions.

D2L — Vancouver, BC

Customer Marketing & Events Coordinator (Co-op) — Sep 2023 – Dec 2023

- Led vendor replacement project for the global event supply program, evaluating competing vendors against operational requirements and presenting a structured recommendation that delivered a 30% reduction in event costs.
- Coordinated end-to-end event logistics for in-person, virtual, and hybrid trade shows, managing targeted campaigns, invitations, guest registration, and vendor communication across multiple concurrent events.
- Analysed lead performance and pipeline data in Power BI and Salesforce to support client segmentation and targeted outreach, producing post-event reports with engagement metrics and optimization recommendations.

Foot Locker, Inc. — Kelowna, BC

Sales Associate — Nov 2025 – Apr 2026

- Generated $2,500+ in weekly sales through tailored product recommendations across high-ticket footwear lines and consistent upselling.
- Managed high-volume customer transactions across payments and inventory updates, maintaining consistent service standards during peak periods in a fast-paced environment.

Nestlé Nespresso — Kelowna, BC

Sales Associate — Nov 2022 – Apr 2023

- Drove an 8% increase in sales through live product demonstrations and personalized client interactions, adapting approach across customer demographics to maximize conversion.
- Maintained brand-aligned in-store displays and applied customer insights to refine product recommendations while resolving front-line inquiries.

Mindtree Ltd — Bangalore, India

Acquisitions Student Intern — Sep 2019 – Jan 2020

- Developed internal communication materials and analysed acquisition-related HR and operational changes, leveraging stakeholder interviews and industry research to identify risks and support decision-making.
- Collaborated with cross-functional teams to communicate policy changes and organizational updates, contributing to a 5% reduction in employee attrition during post-acquisition integration.

VOLUNTEER EXPERIENCE

Capstone Project — Okanagan Housing Co-operative (UBC) — Kelowna, BC

Marketing & Communications Consultant — Jan 2025 – Apr 2025

- Led a full-scale marketing audit and strategy engagement, administering a 20-member survey, conducting competitor analysis, and presenting findings to both the client board and an academic panel.
- Developed and delivered 8 client-ready assets including a full website redesign mock-up, branded Instagram content strategy with organic and paid KPI frameworks, government-facing fact sheet, and print materials.
- Managed all client communications, board meeting documentation, and stakeholder correspondence throughout the engagement.

Marketing Club — UBC Management Student Association — Kelowna, BC

President — Aug 2022 – Apr 2023

- Developed and activated 2 external corporate sponsorships, coordinating brand aligned materials and directing digital content and social media strategy using Canva and Photoshop.
- Organised 3 campus-wide events with attendance of up to 50 participants, managing budgets, timelines, and deliverables across a 4-member team.
