PROFESSIONAL EXPERIENCE

Foot Locker, Inc. | Kelowna, BC

Nov 2025 – Present

Sales Associate

- Maintained consistent high-volume transactions by managing customer interactions, payments, and inventory updates in a fast-paced retail environment.
- Delivered client-focused communication by adapting messaging to customer needs and ensuring clear, effective product recommendations.
- Supported operational execution by organizing inventory and maintaining visual merchandising standards, ensuring readiness and consistent service during peak periods.

D2L | Vancouver, BC

Sep 2023 – Dec 2023

Customer Marketing & Events Coordinator (Co-op)

- Led a vendor replacement project for the global event supply program, conducting outreach and discovery calls with competing suppliers, evaluating each against operational and integration requirements, and presenting a structured recommendation to internal stakeholders that delivered a 30% reduction in event costs.
- Planned and coordinated logistics for in-person, online and hybrid trade shows, managing invitation development, guest registration, and vendor communication across multiple stakeholders while tracking deliverables and driving seamless execution.
- Analysed lead performance and pipeline data using Power BI, supporting client segmentation and targeted outreach decisions; produced post-event reports with engagement metrics and optimization recommendations.
- Coordinated production of marketing materials and email campaigns with the in-house creative team, processing invoices and tracking expenses to maintain budget accuracy across all deliverables.

Nestlé Nespresso | Kelowna, BC

Nov 2022 – Apr 2023

Sales Associate

- Delivered client-focused product messaging through live demonstrations and personalized interactions, adapting approach to different customer demographics and contributing to an 8% increase in sales.
- Designed and maintained brand-aligned in-store displays and product presentations, upholding visual merchandising standards to drive customer engagement.
- Collected and applied customer insights to tailor product recommendations and improve positioning, while providing front-line troubleshooting, resolving inquiries and redirecting to appropriate support channels.

Mindtree Ltd | Bangalore, India

Sep 2019 – Jan 2020

Acquisitions Student Intern

- Developed internal communication materials to support post-acquisition integration, ensuring consistent and clear messaging across departments during organizational change
- Conducted in-depth analysis of acquisition-related HR and operational changes, leveraging primary stakeholder insights and industry research to identify risks, improve communication strategies, and support decision-making.
- Collaborated with cross-functional stakeholders to follow up on outstanding deliverables, communicate policy changes and organizational updates effectively, contributing to a 5% reduction in employee attrition.

EssEmm Corporation | Coimbatore, India

Jun 2019 – Sep 2019

Marketing Student Intern

- Conducted primary research through executive interviews with the VP and Marketing Manager alongside a customer survey, to identify distribution and marketing strategy gaps.
- Analyzed four years of sales, profit, and cost data across strategic frameworks to assess product portfolio performance, market positioning, and growth opportunities.
- Developed and presented data-driven strategic recommendations to improve distribution channels and market reach, including an e-commerce OS application proposal to address fulfilment inefficiencies.

VOLUNTEER EXPERIENCE

Capstone Project (UBC) | Kelowna, BC

Jan 2025 – Apr 2025

Marketing & Communications Consultant

- Served as communications lead for a non-profit consulting engagement with Okanagan Housing Co-operative, managing all client outreach, coordinating meeting logistics, capturing board meeting notes, and maintaining project documentation across all team and client sessions.
- Conducted a strategic marketing audit and competitor analysis, designed and administered a member survey, and developed a social media implementation strategy with organic and paid KPI frameworks, presenting findings to both the client board and an academic panel.
- Produced a government-facing fact sheet for local elected officials, designed branded Instagram post templates and a mock business profile, captured original site photography, and delivered a full website redesign mockup covering homepage, navigation, testimonials, gallery, member application, AI Chatbot and contact architecture.

Marketing Club (UBC Management Student Association) | Kelowna, BC

Aug 2022 – Apr 2023

President

- Developed and activated external sponsorships and partnerships with campus organizations, assessing opportunities and coordinating co-branded benefits across events and promotional channels.
- Directed digital content and social media strategy using Canva and Photoshop, producing brand-aligned promotional materials across email, social, and event channels.
- Organized campus-wide events and workshops, managing budgets, tracking expenses against budget codes, and coordinating timelines across a four-member team.

CUBS Vancouver (UBC) | Vancouver, BC

Aug 2022 - Dec 2022

Graphics Designer

- Developed content strategies and wrote copy for social media campaigns promoting tutoring and education services for underserved communities and students with special needs.
- Designed and executed social media content using Photoshop and Illustrator, delivering clear, engaging visuals aligned with outreach and campaign goals.

Model United Nations (MILMUN, SIMUN, IIMUN, SISMUN) | India

Jun 2018 – Feb 2020

- Chaired and facilitated Model United Nations committees, leading structured policy discussions and guiding delegates through complex, real-world issues.
- Co-organized a 200-delegate conference, coordinating outreach, logistics, and stakeholder communication while overseeing on-site operations to ensure seamless program delivery.
