

GOOGLE BUSINESS PROFILE IMPROVEMENT

Missing Information

-  Phone Number: Add a contact number to make reaching out easier for potential applicants.
-  Business Hours: Specify the days and hours when inquiries can be answered.
-  Business Category: Additional secondary categories can be added if applicable.
-  Write a Compelling Description: There is not currently no description. It should include information such as history and mission.

Increase Engagement and Credibility

-  Request Reviews: Encourage current or past members to leave reviews about their experience.
-  Answer Questions: Enable and actively respond to the "Questions & Answers" section with useful details about the cooperative, the application process, and its benefits.
-  Logo and Branding: Add an official logo and upload images of the community, common areas, and events.

Update Regularly
